Have an opportunity to meet with the employer and explore:

During the first 30 minutes of each session:

- What are the activities of this business?
- What types of positions do they typically recruit for?
- What skill sets do they value most for employment?
- What soft skills do they look for when hiring?
- What positions are open and how do you apply?

During the second 30 minutes of each session:

- Questions by job seekers or employment professionals?
- Open recruitment or on-site interviews
