WORKSHOP DESCRIPTIONS

How to Get Funded for Training - The event will give an overview of how to access funding for training, discuss the requirements to access the funds, and go over what is needed to begin the process.

Transferable Skills - This workshop will help focus on the following topics: What is the difference between hard and transferable skills? What is a skill set? How to apply your various skills to new employment opportunities.

Soft Skill Development - There are many types of skills. The workshop focuses on the three main types of skills to consider when transferring your skills to another occupation or industry: Personal Skills, Jobs Specific Skills and Transferrable Skills.

Researching the Job and Tailoring a Resume - What are tailored resumes, and why should job seekers use them? Learn why and how you should tailor and target your resume for the position you really want!

Mastering the 1st Impression - Whether you're attending an interview, picking up an application, or dropping off a resume, how you present yourself matters. This workshop offers practical guidance on dressing for success and making a strong first impression. Learn what's appropriate for different settings - for example, what works for a construction site interview may not be suitable for a receptionist position.

Basic Resume – A workshop to learn the different layouts for resumes, why and when to use each one. We will explore the different parts required for an effective resume.

Basic Computer Skills - Need help with basic computer skills for your job search? This in-person workshop will allow you to learn from your level what you want or need to learn at your level and your pace

Civil Service – Understanding the process of taking service exams, band scoring and process. This is an in-person event. Please follow the links below to register.
