WORKSHOP DESCRIPTIONS

How to Get Funded for Training - The event will give an overview of how to access funding for training, discuss the requirements to access the funds, and go over what is needed to begin the process.

After the 90 Days: The Road to Achieving Long-term Employment – This workshop will help focus on the following topics: How to not lose your job in 90 days. The top reasons that employees lose their job in the first 90 Days.

Effective Budgeting Strategies – This workshop is intended to present an introduction to budgeting for individuals who may not have had a lot of experience with money, or who are interested in upgrading their level of financial literacy. It covers banking, saving, and prioritizing spending.

Identifying and Overcoming Barriers - this workshop explores the different hurdles one may face when entering the job market, obstacles that may hinder progress towards attaining full-time employment. Through collaborative strategizing, various methods to overcome personal and environmental barriers are developed and discussed.

Resumes and Their Cover Letter Companions – A workshop to learn the different layouts for resumes, why and when to use each one. We will explore the different parts required for an effective resume. Cover letters are still valuable in today's workplace. Learn the basics of a cover letter to better prepare the application process.

Basic Resume – A workshop to learn the different layouts for resumes, why and when to use each one. We will explore the different parts required for an effective resume.

Civil Service – Understanding the process of taking service exams, band scoring and process. This is an in-person event. Please follow the links below to register.
