

RENEWABLE ENERGY TRAINING INITIATIVE (RETI)

The New York State Department of Labor (NYSDOL) is partnering with Local Workforce Development Boards (LWDBs) to provide \$4M in New York Power Authority (NYPA) State funding for the OJET RETI. This funding can be used for:

- ✓ Up-skill or re-skilling of workers from fossil fuel to clean energy positions
- ✓ Up-skill or re-skilling of residential workers in:
 - Weatherization
 - Building Performance
 - Retrofitting
