

Dress for Success!

CSS Workforce New York through the power of partnership and collaboration with Corning Enterprises and Tommy Hilfiger has secured **Tommy Hilfiger Gift Cards** to support individuals 18-40 years of age entering or re-entering the workforce – *perhaps even through no fault of their own or because they had to take some time to care for loved ones during the pandemic* - to purchase quality professional attire to interview in and/or attend work. Gift cards will be used. Tommy Hilfiger is committed to building a stronger community through the power of partnerships and collaborations and using resources to ensure career opportunities.

If you or someone you know could benefit from free, professional clothing from Tommy Hilfiger for their job and career, please contact the Emerging Workforce Program at 607-346-2413 or email keith.guthrie@csswny.com.

We're proud of the organizations working together to help us all get back to work after a difficult year!
